The Mexican Buiatrics Association and the World Association for Buiatrics, are organising the “**32° World Buiatrics Congress 2024**”, which will be held from May 20 to 24, 2024 at the Cancun Center in Cancun, Quintana Roo, Mexico.

Because of your recognised trajectory and professional experience, we are pleased to invite you to participate in this major event. We know that with your participation this event will be of great quality and scientific update.

We look forward to your attendance and participation and we will wait for your reply.

Best regards.

Sincerely,

MC Eduardo Posadas Manzano  
President of the 32° World Buiatrics Congress
